7. Radon Testing Summary (Optional)

Dallas school District completed construction of a PEMB to house the current CTE programs. Radon testing was conducted in May of 2022.

Facility Name	Building Identification Number (BIN)	Number of radon tests conducted	Number of tests that exceed limits	Number of tests that exceed limits after remediation	Number of sites where remediation is still in process
Dallas High School CTE	2190-95-	7			

8. District Overall Summary Notes:

Throughout the 2021/2022 school year Dallas School District Facilities staff maintained a continued focus completing maintenance repair projects throughout the year to mitigate potential safety/security issues. The main hazard mitigation focus was once again directed towards the COVID19 pandemic. Over the course of the year the district focused on IAQ management, disinfection practices, and daily operation assuring all buildings are able to accommodate the daily return of students.

I certify that the above information is true and accurate to the best of my knowledge.
