## **SELF-REGISTRATION INSTRUCTIONS – Dallas School District Parents**

Dallas School District is using SafeSchools online training to provide training to parents on issues related to child abuse.

As a district parent, you have the option to register and take these on-line trainings. To do this, go to: <http://dallas.or.safeschools.com/register/27bcf435> and you will be taken to the registration page where you will enter your basic information, including a username.

Once you login to the site, you will see a list of courses for Oregon parents. To begin a course, click on the title then follow the prompts. You do not have to take SafeSchools courses in one sitting. If you are called away, the system will remember where you left off and allow you to pick up again at that point. To return to the site go to: <http://dallas.or.safeschools.com> and enter your username.

If you would like to use a school computer for the training please contact a building secretary. You might consider bringing your own set of headphones or ear buds for the audio component.
