

QUARANTINE UPDATE

Positive for COVID-19 or exposed to a positive case of COVID-19? Here are the OHA quarantine standards:

Full 14 day quarantine.

Ten day quarantine if no symptoms develop.

PCR test on day five and then return to work or school on day seven if the test is negative and no symptoms develop. PCR test results must be shared with the district nursing team.

Presumed COVID-19 positive/symptomatic and no COVID-19 test? Please quarantine for 14 days or 10 days with symptoms being resolved.

Vaccinated staff and students are not required to quarantine if they have not tested positive and have no symptoms. Exposed people should monitor for symptoms for 10 days.
