

Safety Statement

Dallas School District No. 2 is committed to creating a workplace that is safe, healthy, and injury-free. Our employees are our most valuable assets, and their safety and health is our first priority. Safety is essential to all business functions and is never compromised under any circumstance. Every employee has a responsibility to maintain our work environment including reporting hazards and working toward preventing accidents including reporting accidents, injuries, and unsafe conditions to their supervisors. No such report will result in retaliation, penalty, or other disincentive.

We will provide training, review our procedures, review accidents and maintain the equipment. In the event of an injury, we will actively work to return the employee back to work when medically possible.

We will provide support to our Safety Committee by providing them the time, employees and management commitment needed to reach our common goal of an injury free workplace. I appreciate your full cooperation to follow our safety program and make our workplace safe, healthy, and injury-free.

Sincerely,

Dr. Michelle L. Johnstone
