

Bargaining Update:

BARGAINING HAS BEEN POSTPONED FOR THE TIME BEING. WE WILL KEEP YOU POSTED WHEN THIS CHANGES.

VOTING OF OFFICERS WILL ALSO BE POSTPONED UNTIL WE RETURN TO SCHOOL. IF THIS CHANGES WE WILL LET YOU KNOW.

I always say expect the unexpected but oh my. This is definitely out of all of our comfort zones. I hope everyone is doing well. I know that this has been difficult to navigate through but we have to remember that it is what it is and we just have to do the best that we can. Education is going to look different for a while. Please continue to check your emails and stay engaged. Some of your teachers may be reaching out to you for help with phone calls, creating packets, ideas, etc. This is your chance to think outside of the box to help support your students. In the mix of all of this please remember to take care of yourself. That is so incredibly important. It is time to slow down, put our priorities into perspective, and enjoy our children but to also check in with our loved ones who are not with us during this time. Also please remember to check in with each other. The disconnect can be a real struggle for some so we want to make sure that we stay connected with as many of our coworkers that we can. I know that we have all heard stay healthy and stay safe that this will pass in time. I think a little sunshine will make that saying go a long way. Please remember that we WILL get through this and life WILL be normal again.
