

ALL STUDENTS GRADUATE PREPARED

In 2010, Oregon adopted higher K-12 standards in English Language Arts and Math to ensure all students move from grade to grade with the academic knowledge and skills necessary for success beyond high school. Because we raised the bar for what we expect students to know and be able to do, we have also changed the way we measure student progress through our state tests.

Why does participation matter?

While no single test can give a complete picture of your child's progress, statewide tests provide educators and administrators with information about what educational approaches are working and where additional resources are needed. Your child's participation is important to ensure schools and districts receive the targeted resources they need to help all students succeed.

Description of rights

Oregon law (ORS 329.479) permits parents and adult students to annually opt-out of Oregon's statewide summative tests in English Language Arts and Math by submitting a form to the school the student attends. Schools will provide parents with the 2021-22 form at least 30 days prior to the start of testing.

STATEWIDE TESTING WINDOWS

English Language Arts & Math Tests
Grades 3-8: March 8—June 3, 2022
Grades 9-12: January 11—June 3, 2022

OREGON'S STATE TESTS

- **Challenge your child to think critically** and apply their knowledge to real-world problems
- **Go beyond multiple choice** and ask your child to explain their answers
- **Act as a snapshot of your child's progress** and may be considered along with other pieces of information to determine your child's academic success
- **Help identify schools and districts** that need additional supports to ensure more students are meeting higher standards

When will my child take the test?

Your child will be tested once after they have completed at least two-thirds of the school year. Your child's school will determine the specific dates your child takes the tests within the statewide testing window.

STAY INFORMED

Talk to your child's teacher or school principal if you have questions or want to learn more.
